What is it?

A free, fully gamified, online Capture The Flag cybersecurity competition for companies, powered by Hack The Box.
The CTF will feature balanced content difficulty-wise, from easy to hard level, and a wide range of content types (Web, Forensics, Reversing, Cloud, Pwn, Crypto, and much more), simulating **real-world scenarios.**

Why sponsor?

Sponsoring the event gives the opportunity to increase your brand presence amongst our global talent pool of cybersecurity and IT professionals.

● Expose your brand to a community of **600k+** cybersecurity enthusiasts.

● Tap first into the new trend of hacking competitions.

● Help us shape attack-ready cybersecurity professionals worldwide.
