What is it?

A free, fully gamified, online Capture The Flag cybersecurity competition for university teams, powered by Hack The Box. The CTF will feature balanced hacking content difficulty-wise, from easy to hard level, and a wide range of content types (Web, Forensics, Reversing, Cloud, Pwn, Crypto, and much more).

Why sponsor?

Sponsoring the event gives the opportunity to increase your brand presence amongst our global talent pool of cybersecurity and IT students in top-tier education institutes. Any corporate or academic organization can support the event.

- Expose your brand to a community of 700k+ members.
- Tap first into the trend of real-time hacking competitions.
- Help us shape a new generation of cybersecurity enthusiasts.
- Help students worldwide kick-off their cybersecurity career.
- Are you recruiting? Attract young talent for your IT team.
